

# DROP Quotes

**Be Yourself!** *by Shelly Hazard*

*July, 2007*

Lewis Carroll, the beloved author of Alice in Wonderland, has a character tell Alice, "Be what you would seem to be", which of course is very good advice. However, seeing as Alice was in the land of Wonderland, such advice could not be put just so. The character goes on to put such advice much more simply, as you will see when you solve this month's puzzle. Isn't that much simpler?

**MONTHLY INTERACTIVE & PRINTABLE**
