

DROP Quotes

Tomorrow by Shelly Hazard

November, 2005

The image of John Wayne is indelibly cast upon the American public as that of the intrepid cowboy - a rough and ready man with the inevitable cowboy hat who wielded justice in one hand and backed it up with a gun in the other. But in some ways, his true personality was at odds with his typical movie roles. Today's puzzle shares John Wayne's philosophical view of what tomorrow may bring.
