Beverly Trent was one of the neighborhood's assigned taxis this week for the kids' afternoon activities. She and several of the other mothers in their neighborhood took turns picking their kids up after school. Only one of the five she was picking up today was her child. The other four belonged to four other families. One of the other mothers was picking up two more kids from karate practice. All of them had multiple children so scheduling who picked which of the kids up where was sometimes a major challenge. Determine the full name of each child Beverly picked up today, which sport each played (one was gymnastics), the age of each child, and the name of each child's coach.

1. Mr. Toomey was Elliot's coach. The girl whose last name was Whey had Mr. Harding for a coach, but wasn't involved in swimming.
2. The two 12-year-olds were Andrea and the girl who was coached by Mr. Webb.
3. Kristin Flock played tennis but Mrs. Kelly wasn't her coach. Adam's last name wasn't Grant.
4. One boy and one girl were 14 years old; one played soccer while the other swam, in no particular order.
5. The boy whose last name was DeGaines had Mrs. Booth for a coach and he was one year younger than Heather.
6. The girl who played field hockey was Beverly's daughter.
