Four couples each had different plans for celebrating New Year's Eve. Each attended a different event and each couple did one errand on the way to their event. Determine the full name of each couple, the event they planned to attend, and the errand they made on the way.

1. Bill, whose last name wasn't Franklin, had to stop at the bank. The Howells planned a quiet dinner for their New Year's Eve activity.
2. Sylvia Hamilton, who wasn't married to Sam, didn't go to the concert. Louise didn't go to dinner.
3. Jack and Miranda weren't the couple who went to the post office. The Fosters didn't go to a movie.
4. Karl, whose wife wasn't Louise, stopped to pick up drinks before he and his wife went to their event. Bill's last name wasn't Howell.
5. The couple who went to the musical had to drop their kids at a friend's house first.
6. Beth wasn't married to Karl.
