## Pop Quiz

by Shelly Hazard

Thursday morning the students of Redwood High School walked into their English class to be greeted by a pop quiz. The quiz was on this week's twenty vocabulary words. Alice and her friends did all right on the quiz. They each made a complete guess on one of the definitions and were quite surprised to find out that their guess was right. Determine the full name of Alice and her friends, how many words each missed, and what word each guessed correctly.

1. Rhonda Mincer didn't guess correctly on the word pervade. The girl who correctly guessed the definition of arcanum was Mindy.
2. The girl whose last name was Heart, which wasn't Alice, guessed correctly on the word endue.
3. The one whose last name was Summer missed one word fewer than Mindy, who didn't miss five words.
4. Tara's last name wasn't French but she only missed one word.
5. The girl who missed three words did guess correctly on the word fructuous. Barbara's last name wasn't Heart and she missed more words than the girl whose last name was Summer.
6. Alice missed one more word than the girl who guessed the correct definition for egregious. Mindy's last name wasn't Willow.
