and Table of Results

Last night it snowed! Harry and his friends woke up early Saturday morning to a winter wonderland. They met up at the park and joined the other kids in the park for the first snowball fight of the season. Since Harry and his friends were on different teams, they only managed to get one chance to hit their friends with snowballs. Several hours later, all the boys were very wet, tired and hungry. They headed back to Harry's home for a drink and a snack, his mom's fresh baked cookies. Determine the full name of each boy, who was hit by who, what each boy had to drink, and what kind of cookie each chose.

1. Barry, whose last name wasn't Horn, hit Nathaniel but he got hit by the boy who had the oatmeal raisin cookies. The boy who got peanut butter cookies didn't hit Curtis.
2. The snowball that hit Barry wasn't thrown by Nathaniel, whose last name wasn't West. Randy Mann didn't have milk with his cookies. The boy whose last name was Jones didn't have chocolate chip cookies.
3. Randy had neither water to drink nor chocolate in his cookies. The boy whose last name was Horn had neither sugar cookies nor apple juice. The boy who hit Harry had chocolate cookies.
4. The boys who hit Nathaniel and Curtis had apple juice and orange juice to drink, not necessarily in that order. Harry, whose last name wasn't Horn, didn't hit Barry nor was he hit by Nathaniel.
5. The boys who had chocolate in their cookies didn't have Hathaway for a last name. The boy who had peanut butter cookies had juice to drink, but his last name wasn't Jones.
6. The boy who hit Randy had West for a last name. The boy who had iced tea didn't hit Harry. The Jones boy had water to drink.
